A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Everyman, United Kingdom, 2013. Hardback. Book Condition: New. 192 x 134 mm. Language: English . Brand New Book. In order to save his reputation and the honour of his house at school after he shames himself by running away from a fight between fellow pupils and toughs from the local town, a studious schoolboy takes up the study of boxing. This charming early novel by P. G. Wodehouse plays a series of witty variations on the standard school story of the period, balancing the minor heroics of the action against a humorously ironic commentary. The simple tale is given sparkle by vivid character drawing and the author s sharp ear for schoolboy dialogue.
