GAMING: ESSAYS ON ALGORITHMIC CULTURE

University of Minnesota Press, United States, 2006. Paperback. Book Condition: New. 208 x 135 mm. Language: English . Brand New Book. Video games have been a central feature of the cultural landscape for over twenty years and now rival older media like movies, television, and music in popularity and cultural influence. Yet there have been relatively few attempts to understand the video game as an independent medium. Most such efforts focus on the earliest generation of text-based adventures (Zork,...
