Not illustrated. 1900 Excerpt: .conceives, the mother of industry; and industry is to human society what movement is to air and sea. Therefore, he boldly upholds his position as an industrial giant, and he considers enterprise on a vast scale, and the erection of colossal fortunes, to be normal processes, and essential conditions of modern society. He speaks of the various rungs of the social ladder with the authority of a man who has trod them all, and in the disengaged and impartial spirit with which such men are not always blessed. The upshot of the great changes in invention and discovery is, that for scarcity and dearness have been substituted cheapness and abundance, nay even, as he somewhat broadly assumes, improvement in quality to boot. The labourer (p. 3) has more comforts now than the farmer of a few generations back, the farmer now than the landlord then, the landlord now than the king then. Queen Elizabeth, I think, breakfasted on beer and beefsteaks: agricultural distress must go far indeed, before the squire of our day will be content with such a bill of fare. The Gospel of Wealth was originally published in two articles in the North American Review in 1889, and republished as a tract under the title Wealth, and the Best Fields of Philanthropy. For these beneficial changes we pay a heavy price, in what Carlyle called the establishment of cash payment as the sole nexus between man and man. The ties, the relations, which were...
