

Ergonomics of the Absurd

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Pearl Corwin)

ERGONOMICS OF THE ABSURD

Createspace, United States, 2013. Paperback. Book Condition: New. 194 x 128 mm. Language: English . Brand New Book ***** Print on Demand *****.Here is a never before revealed hilarious, laugh-out-loud look at the heretofore serious world of ergonomics. All previous books on ergonomics are simply dull textbooks or instruction books filled with charts, graphs and scientific anatomical jargon. NOT this one. It is an in-depth look as some of the audacious, out-of the way professions and the dangers of occupational injuries occurring in them. And yes all are R rated. And that s half the fun. Humorous and informative, this book gives you an inside look at ergonomics in places like a Strip Joint and an Adult Toy Factory in ways you never imagined. It also gives you highlights of a science that can take away peoples pain and improve lifestyles. It will also undoubtedly make you laugh in wonder of who really does that?, and no wonder they have so much pain. If you ve laughed at Dirty Jobs, you ll laugh at Ergonomics of the Absurd. Also included is a catalog of Things Ergonomic which really are not. Revealed as sleazy marketing, these include: Ergonomic Toilet Seats, Ergonomic Potato Chips and even some Ergonomic Sex Toys. Enter the world of Ergonomics of the Absurd with an open mind. You will enjoy the trip!! Also Available in Full Color.
