MODERN BELIEF IN IMMORTALITY

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The belief in immortality precedes modern science in human experience. It means more in the spiritual life and progress of the race. The limitation of physical science has been that in the enthusiasm of its discoveries it has so closed the material and forces of the universe as to exclude immortality. We have made a great deal of...
