Random House USA Inc, United States, 1988. Paperback. Book Condition: New. Ballantine Book.. 173 x 107 mm. Language: English . Brand New Book. AS JOYOUS TO READ AS IT IS PROVOCATIVE . . . Friday is all woman . . . She is as strong and resourceful and decisive as any Heinlein hero; in addition she is loving (oh, yes) and tender and very, very female. --Los Angeles Times Friday is a secret courier. She is employed by a man known to her only as Boss. Operating from and over a near-future Earth, where chaos is the happy norm, she finds herself on assignment at Boss s seemingly whimsical behest. From New Zealand to Canada, from one to another of the new states of America s disunion, she keeps her balance nimbly with quick, expeditious solutions to one calamity and scrape after another. Not since Valentine Michael Smith, hero of the bestselling Stranger in a Strange Land, has Robert Heinlein created a more captivating protagonist. Friday proves once again why Robert Heinlein s novels have sold more than 50 million copies, have won countless awards, and have earned him the title of Grand Master of Science Fiction. FRIDAY IS A SUPERBEING. . . . Engineered from the finest genes, and trained to be a secret courier in a future world of chaotic ferocity and intrigue, she can think better and make love better than any of the normal people around her. --The New York Times Book Review.
