

Getting Away with it: Or - Further Adventures of the Luckiest Bastard You Ever Saw

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

(Robyn Nolan)

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Getting Away with it: Or - Further Adventures of the Luckiest Bastard You Ever Saw, Steven Soderbergh, Steven Soderbergh and Richard Lester are a generation apart, but they share a sense of humour and a passion for cinema. Soderbergh's freshman film, "Sex, Lies and Videotape", inaugurated a movement in US independent cinema. Lester's freewheeling work in the '60s and '70s ("Help!", "A Hard Day's Night", "The Knack", "How I Won the War", "Petulia") helped create a 'new wave' of British film-making. Here, the two cineastes discuss their mutual passion for the medium in a frank, funny and free-ranging series of interviews. Also included is Soderbergh's diary of an extraordinary twelve months in which he ventured into 'guerilla film-making' with offbeat projects Schizopolis and Gray's Anatomy, before returning to the Hollywood fray with the George Clooney hit Out of Sight.
