*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.No one wants to be part of a religion filled with old, hard, mean-sounding words Sin. Hell. Repent. Submit. Judgment.The funny thing is that at the heart of each of these loaded words are some of the most beautiful, gracious, life-giving truths that words can convey. Unfortunately, these words have gotten so weighed down with social, cultural and doctrinal baggage that even practicing Christians are hard-pressed to embrace or explain them. That s where Loaded Words comes in. By showing how and why these key faith terms have been misused, abused, and wholly misunderstood-both in the church and in the culture-we can unload them, revealing their original language and context, and re-introducing the great mercy, comfort and joy behind the teachings of Jesus. Written in a lively and highly accessible style and illuminated with contemporary aha! moments, Loaded Words opens up the wisdom of 12 foundational Bible words in a whole new way. STUDY GUIDE INCLUDED. In their new book, Loaded Words, authors Heather Choate Davis Leann Luchinger bravely examine some of the Church s most divisive and challenging words. The book is rich with history, biblical context, and linguistic education, but it is also full of heart.The authors do a beautiful job of reminding Christians that there is danger in not recognizing the impact of their language, imploring them to better understand the world in which they live, while also inviting others to discuss the true sentiments behind biblical vocabulary.With powerful explanations and honest reflections, Davis Luchinger...
