Many of today's workers may not be financially prepared for retirement when they stop working. Many people are counting on Social Security alone, without an additional retirement plan. The Savings Are Vital to Everyone's Retirement (SAVER) Act of 1997 requires the Department of Labor (DOL) to hold periodic national summits and run an outreach program to promote retirement saving. This report (1) identifies major accomplishments of the 1998 summit and issues that might affect future summits, (2) describes DOL's outreach program, and (3) determines what DOL knows about the effectiveness of the summit and outreach program. GAO found that the 1998 National Summit made progress in identifying problems that workers face in saving for retirement. DOL's Outreach Program--the Retirement Savings Education Campaign--targets small business owners, women, minorities, and youth to change the way they think about, and act on, their retirement saving needs. DOL has not tried to assess the extent to which outreach efforts from the 1998 National Summit and Pension and Welfare Benefits Administration have increased the public's knowledge and understanding of retirement savings. This item ships from La Vergne, TN. Paperback.
