

Across My Rubicon

By Louise North

AuthorHouse. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 8.0in. x 5.0in. x 0.6in. At some point in every person's life one's emotions and true self gets pushed out of sight—hidden away from the outside world. For Cynthia Alexander this was not only her way of life but what she had to do to survive. Working in the center of Seattle's technology boom, Cynthia's seemingly heartless attitude made her perfect for managing the unmanageable. She was good at what she did, but she was not prepared for how far this job would push her, or the dramatic impact it would have on her life. Enter Ted McBride, a cocky young programmer who would test Cynthia's patience and her capacity to mold him while maintaining her own professionalism. The more time she spent working with him, the closer she came to crossing the line and losing control. She knew once she crossed that line, all that she had tried to conceal would come pouring out and neither of them were prepared for how deep or how far this river of emotion would carry them. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Absolutely essential read publication. It absolutely was written very completely and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.
