

The Big Society: Anatomy of the New Politics

Filesize: 1.18 MB

Reviews

An incredibly great book with perfect and lucid reasons. It really is written in straightforward words instead of confusing. I am just very easily could get a delight of reading through a written pdf.
(Curt Bogan)

The University of Buckingham Press, United Kingdom, 2010. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. The Big Society: the Anatomy of the New Politics shows how the Big Society will redefine British politics for a generation. Ranging widely over economics, philosophy, history, business, civil liberties, education and culture, it reveals how the Big Society is rooted in neglected British intellectual and social traditions but also embodies some of the most unexpected and cutting-edge new policy ideas. Among other things, it explains -- how the growth of the Labour party has been a disaster for the Left in Britain -- why so much happiness theory is intellectually bankrupt -- the paradox of creativity: why high bonuses often reduce, not improve, human performance -- why Conservatives should robustly defend common law human rights -- the social power of music and the arts Packed with deep insights and new perspectives, this book tells you everything you need to know about the most exciting idea in British politics. It is essential reading for politicians, economists, social commentators, those in the public services and the voting public. The Big Society is published by the University of Buckingham Press, and available online and in all good bookshops. A sample chapter can be found on Praise for the author s Compassionate Conservatism (2006): The intellectual guidebook to Cameronism, Sunday Times The book everyone in Westminster is talking about The Observer Superb. What the Conservatives need now is not re-branding but an actual philosophical and policy basis for action. This book brilliantly provides that basis, Andrew Sullivan, political commentator and journalist Politicians should encourage the emergence of voluntary co-operation, exchange and virtue in society. This delightful and important book explains why and how, from political first principles to policy nuts and...
