Reviews

It is one of the best books. Better than never, though I am quite late in starting to read this one. I am delighted to explain how this is the best book I have ever studied in my personal lifestyle and might be the best PDF for ever.

Excerpt: .seen things that no scientist has ever been able to discover. The fact is, Mr. Know-all likes to pose as a well of useful information. He has probably heard the assertion made by an ignorant nurse, when he was a little boy, and thinks it may be a useful piece of knowledge to air to his credulous friends. So far is it from being the truth that, if he can name the factory in question, he can claim a very large reward (JE400,1 think), offered by a syndicate of large bee-keepers in order to disprove the lie! The reward has been offered and advertised for several years now. Is it not a little strange that some of the dozens of friends of Mr. Knowall have not claimed it yet? No. You may make up your mind to it that all comb-honey is genuine, and that quite 95 of run-honey is likewise pure. There are, and always will be, dishonest traders that will adulterate run-honey with some cheap syrup; but it is the exception. So you can safely challenge Mr. Know-all when next you meet him. It will doubtless afford you some considerable satisfaction to be able to take him down a peg or two--which is always beneficial to his kindIt is easy to see how this curious superstition has arisen. An ignorant man has seen a bee-keeper introduce a frame of foundation to his hive. It is neatly stamped to the shape of the base...
