Song is the fourth book in Benjamin Campbell s 13books poetry series. Charting a range of topics throughout the year, these books aim to capture a slice of modern life. Birdsong, car engines, ritual chants - these are just some of the sounds that have and continue to subtly provide a background to our lives. This collection of poems explores the importance of all kinds of songs, but particularly the power of these songs to express our deepest emotions. Ultimately, these poems focus on the musical quality inherent to poetry itself. You can read more of Benjamin s work at his blog,
