

Digital Wealth: An Automatic Way to Invest Successfully

By Simon Moore

John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, Digital Wealth: An Automatic Way to Invest Successfully, Simon Moore, Leverage algorithms to take your investment approach to the next level Robo Wealth: An Automatic Way to Invest Successfully reveals core investment strategies that you can leverage to build long-term wealth. More than a simple review of traditional investment strategies, this innovative text proffers digital investment techniques that are driven not by people but by algorithms. Supported by asset allocation research, the secrets shared in this forward-thinking book have underpinned cutting-edge investment firms as they integrate algorithm-based strategies. In addition to presenting key concepts, this groundbreaking resource explains how these concepts can give you an edge over the professionals on Wall Street through details regarding achieving financial security and meeting financial goals rooted in a firm foundation in behavioral finance, portfolio tilts, and modern portfolio theory. Investment strategies have evolved from one generation to the next, and the ability to leverage new digital tools calls for another overhaul of traditional investment concepts. Investment techniques implemented by algorithm rather than by human monitoring can, in some cases, prove more successful. The key to a balanced portfolio is understanding what these...
