Spanish Grammar (Classic Reprint)

By Charles Philip Wagner

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Spanish Grammar The present grammar represents the third stage of an experiment which the author has been carrying on in his classes, in the attempt to provide the maximum of material for oral work, without sacrificing that drill in the elements of Grammar which, in his opinion, must form the basis of all language study pursued under the artificial conditions of the class room, The first stage was the use, for three seasons, of a pamphlet of conversation material, the second, the use in a class of beginners, of the advance sheets of a large share of this book. In certain important respects, the result of this experiment presents a radical departure from the types of grammar now most in vogue. Detached sentences have been used in a few exercises for drill work; but elsewhere they have been discarded because of their failure to provide the important element of interest. In their place, connected dialogue and description have been introduced, based on a carefully selected vocabulary of every-day words, and illustrating the facts of form and...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my father and dad suggested this ebook to discover.
