THE PROBLEMS OP ETHICS. He terms Art and Practical have each a stricter and a joser application. In the use of the word Art, which we have just been considering, it is employed to denote a mode of production which contains a certain personal siduum not amenable to rule or reducible to formula}. rn the looser sense, it is applied to any application of jnowledge to practical purposes, and simply denotes the production of an object according to rules or precepts. Similarly, the term Practical, in its wider sense, denotes the mode of laying down a theory, in which the theoretical principles are translated into precepts declaring that, if a certain result is desired, a certain means must bo adopted . In the narrower sense of the term Practical, it denotes something mi generis--viz., a law or direction which is not...
