Language: English Brand New Book ***** Print on Demand *****.Excerpt from Memorials of Captain Hedley Vicars: Ninety-Seventh Regiment It may strike some who take up this volume, as strange that a memoir should be written of one who was so early cut off, in the flower of his age, that he had scarcely begun the fulfilment of his youthful promise; whose name, till its last honourable mention by his Commander-in-Chief, was little known beyond his own family and an extended circle of friends and comrades. Why, it may be asked, was he chosen out of the many not less brave or less beloved, who as freely offered up their lives for their country, and whose graves are, like his, far distant upon the shore of the stranger? It is thought that a perusal of the following pages will sufficiently answer this question, and that, by God s blessing, these records of his brief career will not have been preserved in vain.
