Createspace, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This isn t a book about what MORE to do, it is a guide to adapt or say no to those activities and assignments that don t build the skills our children need to thrive is this new, conceptual age. 21st Century Parenting is a story of how to get in touch with your child s passions and help them find their own motivation. It is a navigation map for parenting in an After-Google world of exponential technological growth, unprecedented globalization, and seismic postmodern quakes reshaping the ground we walk on. Get the help you need to make decisions about activities, schools, and projects that will help your child and teen develop Innovation, Critical Thinking, Collaboration, Emotional Intelligence, Resilience, Leadership, and Vision skills. Stories include not only projects like robotics, video game design, and electronic prototyping, but also combining a passion of music, history, art, and psychology with Science, Technology, Engineering and Math (STEM). Woven throughout are essential elements of spirituality. Guide your child to discover inner resources that prepare them to ride the surf of frequent change and hold fast to visions that seek to build a world of meaning, beauty, truth and justice.
