Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There appeared a few years since a Comic History of England, duly caricaturing and falsifying all our great national events, and representing the English people, for many centuries back, as a mob of fools and knaves, led by the nose in each generation by a few arch-fools and arch-knaves. Some thoughtful persons regarded the book with utter contempt and indignation; it seemed to them a crime to have written it; a proof of banausia, as Aristotle would have called it, only to be outdone by the writing a Comic Bible.
