WOMEN OF INDIA: THEIR STATUS SINCE THE VEDIC TIMES

iUniverse, United States, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.A systematic presentation of the status of women of India throughout the long history of about 6000 years has been presented starting from the Vedic times to the post-independence period. A detailed description of the status of women during the Vedic times, which is rarely available in any of the existing literature, and in the following periods is very significant to the study of this subject. The author has discussed how the political and religious conditions over the periods have affected the conditions of women. The age-old evils, which had got firmly entrenched in the Indian society, such as the tradition of Sati, illiteracy, child marriages, and deplorable treatment of widows and so on, still persist and some new ones have joined the list. These are: bride burning, dowry, female feticide, domestic violence, to name a few. Short biographies of some outstanding women have been included to illustrate that in spite of adversities some women had achieved eminence. To the credit of the Indian Government, legislative measures have been taken to protect and improve the status of women after independence and just prior to it. These have been outlined. Unfortunately, these measures have not been able to achieve their intended results on account of wide spread corruption and lack of education and awareness among women, especially in the rural areas. A snapshot of the present conditions is given along with concluding remarks and recommendations for improvement. Improvement of the status of women is extremely improvement for India if it wishes to become a developed and progressive country and a world leader in culture and ideology.
