ON DISOBEDIENCE: WHY FREEDOM MEANS SAYING "NO" TO POWER

HarperCollins Publishers Inc. Paperback / softback. Book Condition: new. BRAND NEW, On Disobedience: Why Freedom Means Saying "NO" to Power, Erich Fromm, "Human history began with an act of disobedience, and it is not unlikely that it will be terminated by an act of obedience." One of the great psychological and social philosophers of the twentieth century, Erich Fromm expounded on the importance of disobedience and the authentic voice of the individual in modern culture. As relevant now as when it was first published, On Disobedience is a collection of provocative essays, including the title entry, which suggests the very act of dissent--the choice to refuse to conform, to speak "no" to those in power--is essential to a humane society, both to ensure humankind's preservation and to allow for one person to reclaim a genuine sense of self.
