A Book of Days is a collection of events, dates, times, and special occurrences - an aide-memoire. The better uses of such a book are anniversaries, birthdays, death days, reminders, and moments of recollection. In modern times, popular calendars are used for this purpose, but are often lost, misplaced, forgotten, or merely tossed away. This book is not marred by holidays or historic events, but leaves the personal taste and traditions of its owner to its owner. These journals have been used throughout history to record holy days, seasonal almanacs, rituals and traditions, diaries, journals, collections of curious synchronicities, daily affirmations, agricultural almanacs, astrological events, and esoterica. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
