Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

Planeta Publishing, Mexico, 2015. Paperback. Book Condition: New. 208 x 130 mm. Language: English, Spanish . Brand New Book. Que es normal en la sexualidad? Que es recomendable para una vida sana en pareja? Cuales son las verdades y los mitos sobre el sexo oral? Los manuales de almohada se centran en la sexualidad de la pareja. Son guias concisas, redactadas con un lenguaje ameno y sencillo, que se pueden leer desde cualquiera de sus secciones, sin un orden especifico. En esta segunda entrega, el doctor Mauro Fernandez invita al lector a explorar uno de los aspectos mas ludicos y atractivos del acto amatorio: el sexo oral. Paso a paso, nos devela las tecnicas y destrezas necesarias para gozar de una vida sexual plena y satisfactoria. La premisa del autor es contundente: tanto el amante inexperto como el experimentado encontraran que en el arte de amar, siempre hay algo nuevo que aprender. Este libro es prueba de ello. El amor es mucho mas que una tecnica. Es confianza, comunicacion, empatia y, sobre todo, comprension.
