Lighting Service for Safe Flying by Night Will Mean Great Gain for Aviation ANEW chapter will open in American aviation when night flying begins between New York and San Francisco. This will be undertaken both by governmental and civilian interests. Two types of aerial lighthouses, says the Aeronautical chamber of commerce, will mark a way between the two oceans. One of these devices, a beacon, is already working at Hampton Roads under the navy bureau of aeronautics. Another, which is a ground wind indicator, is being installed by the army air service at...
